

*Imperial Friends,*

*I trust this missive finds you well, and that you are enjoying the fruits of our victory in Sermersuaq. I have business of a discreet nature to discuss, and would like to meet with you all, if possible, to go through it. I will be arriving at Anvil around half-past six on Friday Evening, and would appreciate if someone could meet me at the gate to lead me to somewhere private for a discussion.*

*I should note that, although I have invited the Ambassador to this meeting, it is not official and I would be grateful if no word of this were to get back to any other Thule representatives.*

*My apologies for the short notice, I have much to do and have had to squeeze this meeting in where my absence will not be noted.*

*Yours in Strength,*

*Hoosfa Mek,*

*They/Them,*

*General of the Banner of the Rime Hound*

*Copies of this missive have been sent to the following persons,*

*Yevgeni Katzev, Ambassador to Otkadov,*

*Yulia Kasimirova Voronov,*

*Lofyn Bloodcloak, General of the Bloodcloaks,*

*Iron Osríc, General of the Green Shield*
