Curse ID: 30070

The Withered Branch

Ever since your coven bonded to this new item, you have noticed a subtle change in your attitude towards outsiders...

Role-playing Effect: You find it difficult to care about anyone who is not a member of the Heralds of the Reaper, and may become increasingly distrustful of outsiders. If you leave the coven, the item expires, or the coven breaks its bond with The Withered Branch, this feeling will fade away.
