

*To the General of the Citadel Guard,*

*Nicassia Avicia of Phoenix Reach,*

*I hereby invite you or your representatives to meet with a Delegation of my Heralds on the Saturday of the Winter Solstice. The Delegation will arrive at 3pm and will meet at a location arranged by the Archmage of Day.*

*Along with your representatives I would like you to choose the two warriors you believe are the exemplars of the Urizen fighting style, your most perfect warriors. They shall be offered an opportunity to compete in a special challenge in my name.*

*Yours,*

*Zakalwe*
