

Bloodcrow Losak,

I am glad we met.

I remind you of my offer. In the City of Bridges we like to reward Ambition.

If you need assistance from the Lord of the Loom in making a title, and thus a place of influence for the one who is designated to collect together all the Orcs and the virtues they follow to showcase their Ambition, then it is a boon we are hungry to fulfil

It will not be an entirely free boon, but we can discuss what type of favour you would be prepared to offer in return, I'm sure there will be plenty of places where our mutual ambitions coincide.

I am not in Anvil this Equinox, but you can seek our Raphaela von Holberg or Kseniya Sloev if you need a page from a Herald's Notebook so you can write to The Lord of the Loom.

May you be rich in favours and friends

Zola
