

Dear Rin,

Congratulations are in order, challenger. The Reeve of the Summer Lands has received word of your defeat of the Sarcophan scop and has deemed you worthy of reward!

Barien hereby invites you to a ceremony in a chamber in the Forest of Arden at 5:30pm on the Saturday of the upcoming Winter summit. Access will be gained through the Hall of Worlds – one of the Iron Duke's heralds will be there to receive you. You may bring 5 others with you to witness the ceremony if you so wish.

If you have any questions, the Iron Duke's heralds can be found on Friday night at the Scarlet Guard in Urizen between 7 and 9 in the evening.

The Lord of the Crossroads looks forward to your meeting, questor.

Sincerely,

Revel

Herald of Barien
