

*My friend Redhound,*

*My thanks for taking the time to Master my ritual. I am disappointed that this has not yet been placed into Imperial Lore, but I am grateful for the fact that you took the time to Master my ritual.*

*Barien and Castellay are holding a banquet where many the Courts of Summer will be invited. I have secured you an invite as my guest. I trust that you will be able to attend, if you have other matters to attend to, I would be grateful if you could pass it on to a Vate that I will find of interest.*

*I look forward to speaking to you, or a person of your choice.*

*Your Friend*
