Shortly before the Spring Equinox your character finds this message inside their Ornate Pouch.

At the time below someone in a red-black tabard will be waiting at the Imperial Regio to lead you to an encounter in a tent nearby.

To ask about accessibility information and request adjustments, ask a ref, egregore or GOD to check "The Ornate Wyrmlings" encounter.

Hello, Greetings, and indeed Salutations!

We were quite overwhelmed and overjoyed by the sheer volume of mana and intriguing items sent to us this season just gone. It has been more than sufficient to place ourselves and our precious hoard in a chamber where we might be able to talk, trade, and offer a very special arrangement.

It is our pleasure to invite you to meet with us at 8pm on the Friday of this Spring Equinox. At this time you, or anyone you choose to send in your stead, may present this note at the Imperial Regio to be transported to our meeting place.

We understand that you are busy, busy, busy people and so this precise time may pose problems. The chamber will not be open for long, and we cannot invite more than a few people at a time, but if necessary you might instead visit us at 7pm or 7:30pm.

We are, suffice to say, quite beside ourselves with anticipation.

Goodbye, Best Wishes, and - we hope - See You Soon!
