

<p>Untreated Information: If this is not treated by an hour before timeout tonight, the patient becomes terminal. Their psyche is fully destroyed by the Lock and cannot be restored.</p>	<p>Physick: The patient is connected to the constellation of the Lock which is overwhelming their psyche. The patient must taken to a location where they cannot see the sky, be given an infusion of Bladeroot and be made to closely observe a light source for a few minutes. This combination will sever the connection between them and the constellation.</p>	<p>Rip Here</p>	<p><i>You feel compelled to react violently if people try to expose hidden mysteries and secrets. If you have not had this wound treated by an hour before time out, see a referee.</i></p>			<p><i>A spotlight of impenetrable black light is being shone on you from beyond, and you can feel yourself being bent to its inexorable will. Secrets and knowledge are meant to stay hidden. It has always been true. It is up to you to stop people around you from uncovering things they shouldn't. The stars tell you this, and you are their agent.</i></p>	<p>Rip Here</p>
