

From Blood Soaked Hands

Greetings to you who are reading this!

You have been invited to have a little bit of fun by joining a very special game.

Rather simple one

Kill or be Killed

Ten people of each of your petty nations;

A Black Reaper in the Marches, An Iron hearted Navarr Poisoner, An Bloody handed Pirate and Schlacta, A Dawnish wallflower and Patricide, a Special little killer in Highguard, A Tortured pretty fish in Sarvos, A scholar who is nothing in Urizen, An Icewalker Worm, A Viper who is an Orc.

You have One Year

Last one standing wins

Oh what fun!

Ps A Friend of mine will meet you, 11:30 on the Friday of the Winter Solstice at the Sentinel Gate, he can tell you more about this little game and you have a chance to meet the competition!
