

To Ironside Tonk,

My name is Deepborn Gan. I am nine years old and I am very proud to be a citizen. Thank you for the letting the Deepborn teachers set up at your college. I came from another Legion to learn to do Summer magic with them and it is very nice to have a college to work in. I am learning the ritual Hammer of Thunder.

I have seen you around but I am shy so Professor Takka who went to Anvil said I should write to you and say thank you for the mana and the rooms for our teaching. Soon I will help us to smash all our enemies up into bits.

Fight well Ironside,

Deepborn Gan
