Thank you for being so patient whilst we had your ritual or customised skills written!

I am very hopeful that they'll be finished by Saturday Morning of E4, so please do wander down to the Regio after Time-In on Saturday to come and pick up an OOC sheet containing information on your new skill or ritual – just ask to speak to Autumn.

I can only apologise that it's taken some time – These things require an amount of checking, double-checking and approvals.

If you need replacement lights for your orbs, they can also be picked up from the Regio – we have a supply of around 200, so there are no worries about running out.

Have a wonderful event and we will see you at the Regio.

Thank You!

**This is an OOC document you should not take it into play. Feel free to make any notes about what your character remembers from the dream or vision instead.**
