OOC Note

This note relates to the Trials of the Palid Charm plotline. It is sent to both the participant and witness.

We **think** that you did get the information about the events in the Trials at E2 but that you chose to not bring Dragonbone to the Sorin Heralds. We hope that was an IC choice (which might make sense for Highguard characters) and if so there is no need for you to do anything at all.

BUT – the Sorin Herald near the Regio did leave Anvil early on Sunday driven away by ringing bells, and whilst that was an IC action taken we wanted to make sure that you didn't miss out because you'd tried to look for them in the last fifteen minutes after they left – as getting to other Heralds on the field at that point could be an unintended accessibility challenge.

Please ask GOD or a ref to radio Kat Q BEFORE TIME IN IF POSSIBLE if you did miss out because of this and we can arrange some way for you to continue if it was not your IC intention to stop.
