

Jotun Brief

“They enshrine the warrior ideal”

- **Born to war** - fight face-to-face, take and deliver wounds to the front
- **Fiercely honourable** - fight with honour, keep your word, despise oathbreakers
- **Conquerors by nature** - those you defeat can become a thrall, or die

“They are a warlike tribe that values strength-in-arms and fighting-spirit as their highest virtues”

- **Revere their ancestors** - draw strength from your ancestors in battle
- **Seek death in battle** - a good death in battle gets you closer to the ancestors
- **Neither barbaric or cruel** - let a fallen foe bleed out, and have a good death
