

*Lady Vivienne*

*We are pleased to hear from you.*

*The recovery of the lost work will bring glory to us all here at Spiral Castle even if it is one page at a time. I hope that your discovery is fortuitous. We will send one of the custodians of the castle to Anvil to seek you out, during the Saturday morning of the Solstice. I will ensure that they are entrusted with any lore we hold about Earl Clarissant's past which might be of help to you. Perhaps you would have the goodness to leave a message at either the Hub or the Anvil Library of where you might be found most easily at this time?*

*May your weavings shine brightly*

*Godwin*
