

Egregore Escon,

In Virtue I greet you, and seek your aid. My name is Magister Tideborn, from the Tideborn chapter house, formerly of Longshire, and I make it my life's work to study the Eternals of Autumn.

I am fortunate enough to be visiting Anvil at _____ on Saturday and would be pleased to meet with any Highborn Magisters or Covens who might be able to assist me with some research I am undertaking.

Yrs, etc.
