

Irina,

I turn to you for help. After we had to let Simargl down last summit because Rossignol could not attend I daren't write to him again.

But Rossignol is still trying to meet his terms. And we hope that this Solstice The Speaker in Dreams will let Meliflee to tell the story that Simargl seeks, whether or not Rossignol can accompany them to Anvil. I think it will be on the first evening, relatively late, but I cannot be certain.

Will you convey as much to Simargl for me? I will not be in Anvil myself this summit, but am excited that the Archmage of Night has decided to speak with the Loquacious One.

Yours
