

Ambassador Jarrigk Wegwandelaar,

I hope that you are enjoying your new position as Ambassador to Asavea. I am Lord Magnus of the Tullius household.

I write to you, on advice from a priest of Thessed of the Cup who offers us compassion, to request aid. My uncle, and head of my household, is dying and has, as of late, become filled with a zeal for your Gods of Virtue.

I have performed the correct libations and offerings to Lord Isso Mãos de Ouro, and believe that it would be a good, and Wise, undertaking to acquire some relics of your Exemplars to accompany his last journey.

I ask that you speak to your Priests of the Seven to discover what cost this might incur. Please write back with an expected costing and I can discuss with my advisor how best to proceed.

Please do not speak of this to any other Asaveans, they are likely to try to use this against us and I'd rather potentially be head of a household that isn't reviled.

*In Faith,
Lord Magnus Tullius
Nemoria*
