

Caius Aurelius

I am sibling to Elder Kremor. Chief Vallak has charged me with speaking with you.

I am not surprised that you a Dawnish Lord passed his puzzles and amused him. Cleverness after all is not goodness. Nor knowing my brother and his fascination with the ways of those not like our people am I surprised he set them.

I will honour the deal and trade with you what I know about the whereabouts of the Banner of Wolf and Sun. I honour deals.

But do not expect an easy bargain. You are trading with someone who thanks to you and yours lost their home. Bring others with you that I will be happier speaking to, if you can.

I hope that we will not need to trade by messenger. I would like to look you in the eyes.

If your Sentinel Gate allows it we will meet at Eilathen's Glade, in Lower Tarn Valley, Therunin this Equinox

Until then

I am Elder Kor

One the Empire might call Broker for Chief Vallak of the Great Forest Orcs
