

To anyone reading this, I need your help. I've asked my sister to find the Runesmiths of Sermersuaq in the hope you'll be able to get to me in time.

I've been to where the Thule are holding our Runesmiths, making them work for them. I've spoken to them. I know their names. I have a list.

I would be at Anvil but I'm hurt. I don't know how much longer I can take this just waiting for them to find me. If I have to I'll cut my skein myself but I've done enough bad things in one life. I'm going to try to make it to Liina's camp on the edge of the Silver Peaks.

I've sent copies to all the Runesmiths I know in the hope they find the right people.
