

Greetings GENERAL

it is hard for me to WRITE this, to create this. My body is ASHES and my BONES are dust. But I have watched your
Courageous SOLDIERS cleansing SamARbode and I applaud your Vigilance

remove this BLESSING upon far REJKos. It is GOOD WORK you do

though I wonder Why is it not Highborn who DO this work. My Own DESCENDANTS, my own people, ARE not the
ones purifying the Iron Lands.

THANK a GIFT for YOU

FIGHT with Pride and Courage, AND NOW I LAUD your Loyalty.

Athaliah, once Cardinal
