

Nicassia of Phoenix Reach

I have enjoyed playing my game.

Those who have tried to play so far have all failed.

Do you like riddles?

Come and test yourself at the Fracta Fenestra.

I will be ready for the next game soon.

At two hours past noon on the second day of your Summit.

Come to the Fracta Fenestra, Sereed, Spiral.

I do hope you understand the rules though.

I will have to create some good ones for you.
