

(Tear along the line below to have an in-character document)

Shortly before the Winter Solstice your character finds this

message inside their Ornate Pouch. It appears to be fragmented - this is intentional and not a printing error!

The opportunity presented by this message (when pieced together) is available at this event **only** - Winter Solstice 2023

*Salutations,
this, and be assured that we
you have entrusted to it.*

*the people like you, who
