*Maarit Suvidottir*

*I see you have used one of the boons granted to Liissa Sieging on completion of her Challenge.*

*Given the current circumstances The Lord of the Crossroads has had to work particularly hard to arrange this meeting. The Ustigar has been persuaded to travel to Anvil at great personal risk. My fellow Heralds have been able to accompany his party some of the way, but may not be able to provide an escort into Anvil itself. We expect him to arrive at about 2 on the Sunday afternoon of your Equinox.*

*Please arrange for people to meet him and his guard near the public entrance to Anvil, which I think is close to the bottom of the Urizen camp and escort him and his guards safely to Sigehold Hall.*

*Your good name, Liisa's and the goodwill of the Iron Duke are all dependant on his safe passage through Anvil to Sigehold Hall.*

*I hope your meeting is valuable*
