

Honoured Friend Androníkos,

I write to thank you for your service at the Autumn Equinox. My sources indicate that the job must have been performed exceptionally well, for no trace of the one we discussed has been found.

I will visit you again at your encampment at 20:30 on Friday this summit. I have payment for you, as well as another task. I trust you will find this one more tasteful.

Yours in Confidence,
Maístir Odhrán Larnach
