

Erasmo

Congratulations in your Ambition. Now owner of several secrets from the loom, I am certain you expected to hear from me this Solstice.

I will be in Anvil between midday and two on the afternoon of the first full day of the Solstice, to discuss how you can repay your favour to the Golden Prince. But before that, I recommend to you my good friend and League Bishop, visiting Anvil for the first time this Solstice.

Her name is Raphaela von Holberg. She expects to attend on the first evening of the Solstice, and find a Guild to host her in the League camp, whilst she seeks meetings with numerous people, especially those who hold certain trade embassies.

If you are able to leave word with Raphaela as to where I might find you the following day I would be pleased, otherwise perhaps you will look for me at the Orc camp, where I plan to visit, or the Hub.

May you be rich in favours and friends
