Spring Regio

Players are intending to cast Thunderous Tread of the Trees – Spring, Mag 120

The item “Tairiscint na Foraoise” (Ribbon 31821) will give 5 additional ranks to the magician using it to cast the above ritual.

Align the Celestial Net can be used and open up the possibility of other rituals being cast...

Giftng to Surut

The players have the option to conduct a short dedication of the regio to the eternal Surut. This just needs to be 30 seconds of roleplay saying they are doing this thing.
