

*Alderei the Rapacious,*

*There is an opportunity for you to take advantage of the new recruits that our mutual friend has acquired.*

*You are cordially invited to the grounds of Oakwood foot the ball, Ashbrook, Upwold, the Marches on the second day of the Winter Solstice, at forty five minutes into fourth hour after noon.*

*Take a hungry key to the regio nearby, and unleash Afan the Hunter who will in turn bring the rest of their kin. They will slaughter the inhabitants of the nearby Oakwood Monastery, defile the grounds and bring fear to the marchers.*

*There are often people playing foot the ball in that area, make sure they don't survive to report anything.*

*Yours in servitude,*

*The Walker of The Wasteland*
