Spring 380 VE

✧ Current Imperial Concerns ✧

summaries of the news carried to Anvil by winds from across the Empire and beyond

✧ Imperial Titles and their Holders ✧

taking especial note of those Titles due for election

✧ Collectors and Curators of Knowledge ✧

✧ Civil Service Timetable ✧

Published by the House of Seven Mirrors

We respectfully acknowledge the hard work of the Imperial Civil Service in compiling information included within.

The House of Seven Mirrors is a political salon and publishing house founded by Lisabetta von Holberg.

Lisabetta first came to Anvil in Winter 378YE, and was appointed by then Cardinal of the Way Beodun Snowlock as Conscience of the Senate. She is currently working between Conclave and the Military Council as Proxy to the Warmage, Vaan.

Lisabetta stands as candidate for the Throne.

Wisdom

- ❖ The Virtuous apply what they have learned; wisdom knows all knowledge is incomplete.
- ❖ Let every word you speak carry meaning; do not use forty when four will do.
- ❖ Wisdom is not always knowing the answer; wisdom is finding the right question.
- ❖ Test what you learn; only fools accept hearsay as truth.
- ❖ Despise folly and chastise the fool that spreads it.

Please advise the House of Errors or Omissions.

Imperial Concerns

Military Campaign

Winter Eternal Kaela was given leave to recruit for her Grim Legion. Her heralds have been seen doing so in Spiral, Reikos, and the Mournwold.

Barrens

1 of 11 territories

Dawnguard remains in Imperial hands. Dawnish Crusade enhanced might of auxiliaries. *Rivers Run Red* cast by persons unknown. Navarr forces attacked Orcish supply trains. Barrens Orcs retained control of a portion of Dawnguard. Orc casualties were far higher than Imperial. **Armies:** Golden Sun, Towerjacks, Golden Axe

Kallavesa

5 of 5 territories

Jotun invaded and gained partial control of region of West March.

Kabraman

4 of 5 territories

Serra Damata conquered by 30,000 Jotun. Two *Frozen Citadels* prevented further gains.

Liathaven

0 of 7 territories

Jotun retained control of Liathaven.

Mournwold

2 of 7 territories

Greensward & Ore Hills held, but no progress. Jotun had detailed intelligence Imperial forces. 3,000 Imperial lives lost and 6,000 Jotun dead. **Armies:** Valiant Pegasus, Seventh Wave, Tusks, Strong Reeds, Fire in the South, Summer Storm, Winter Sun, Red Wind Corsairs.

Reikos

6 of 7 territories

Grey Charge reclaimed; progress into Tamarbode. **Armies:** Granite Pillar, Wolves of War, Quiet Step

Sarvos

4 of 5 territories

Invading Grendel have sacked Sarvos, control Cigno and part of Uccelini, and are starting to build. If they remain, businesses and other resources in Sarvos will be badly affected, as will the Imperial tax take.

League National Assembly could cause an uprising (25 liao) with support from Mayor of Caricomare.

Spiral

3 of 7 territories

Ateri held, Cinion and Ankra recaptured, and progress into Ossuary. Firestorm in Ankra killed many, although Citadel Guard were unharmed. **Armies:** Hounds of Glory, Eastern Sky, Citadel Guard, Northern Eagle, Green Shield.

Roads of Karsk

Roads complete - Varushka can support a third army.

Foreign Nations & Barbarians

Foreign nations are becoming less receptive to the Way

Delegations

Barbarian delegations expected:

- ❖ Druj, including a coven of Ghulai magicians
- ❖ Thule, with a prisoner connected to Hercynia
- ❖ Grendel
- ❖ Barrens Orcs, who want to speak to the Navarr.

Regario Dossier

Expanded to include Iron Confederacy, Axou and Faraden. Due for auction to League citizen.

Asavea

Friendly relations, except from Tarquinius family. Plenum wants to build a 'temple' to the idolatrous Asavean 'gods'. In return, a Temple of the Way could be constructed in Nemoria.

Minor Asavean 'temple' (1 season) or Major (2 seasons), both funded by Asavea. 1 extra measure of iridescent gloaming & Imperial Title who can obtain goods at reduced cost. Could be built in: Feroz (Cazar Straits, Fontargenta, Oranseri); Madruga (Calvos Sound, Free Landing, Lightsea, Siroc Plains); or Urizen (Naris).

Minor Temple of the Way (10wg, 5T, 1 season); Major (20wg, 10T, 2 seasons). 1 extra measure of orichalcum & Imperial Title that can trade liao for goods.

Commonwealth

Further downturn in trade due to belief that Empire are slavers. Relevant authority is Militärattache Ludkhannah Schöningen, die Stahlhalle, Volkavaar.

Hierro Clan

Hierro Orcs seem to be fully converted to Way. Acquisition of Winter boon from Wendigo may have legal repercussions as well as magical.

Principalities of Jarm

Upturn in trade: mana embargo removed, although trading difficulties persist in North & South Principalities. Beodun Snowlock's preaching is countering anti-Imperial Sumaah missionaries.

Sarcophan Delves

Neutral. Continued lack of an Imperial Embassy does not appear to concern them.

Sumaah

The relevant authority is Heln Stianser; Censor of wood, metal and stone; The High House of Prosperity.

Senate Concerns

Rebuilding Holberg

Walls: 160wg, 40 mi, 20ww, 55T, 2 years, 18T upkeep creates strength 6,000 and a quarter more casualties. Or 100wg, 50T, 1 year, 28T upkeep, creates strength 12,000.

Holmauer – The Arch: 40wg, 10T, 2 seasons: 50 synod votes and 25 liao. Or **The Park:** 40wg, 60ww, 25T, 3 seasons, 1500 rings to businesses. Or **Inaction** will reduce Imperial taxation & take 18 months to fix.

The Morass: restore the dykes - 40ww, 10T adds 75 herbs; Or **spread the morass** - 64ww and 128 cr, Rebeshof & Utterlund become a marsh, adds 130 herbs; and Great Pits of Ennerlund upkeep increases by 2T per season, reduces farm income 36 rings per season.

Marches

'Lost' settlement of Whittle to send representatives to Anvil, seeking to reconnect with the Way; they may be able to aid the war effort against the Jotun in some way.

Great Works for Trading

Trading posts to be built in Hercynia & Skarsind. Similar opportunities exist in Temeschwar, Varushka & Navarr - 8wg, 16cr

Synod Concerns

Courage of the first Empress

Golan's preaching affects liao distribution across Highguard congregations. 50 liao to halt effect; 150 liao to undo. Golan called to Inquisition in Anvil.

Bourse Concerns

Scorrero Nets

Additional investment will lead to greater yearly yield: 7T = 6 ilium; 20T = 7 ilium; 40T = 8 ilium. But if Spring magic is cast in some territories, damage will occur.

Conclave Concerns

Stars do not shine over Holberg or Skarsind.

Regional Effects

BRIAR BIRTHS in Upwold (Tower March) & Miekarova (Mieriada)

EERIE FOG (*30th magnitude shroud*) in Bregasland
DRAWING THE PENUMBRAL VEIL (*shroud against scrying*) on Madruga, Zenith and Tassato.

Conjunction

Casting healing spells causes nausea. 'Embracing the taint' can boost ritual magic.

Meraud's Competition

Challenge to create and perform arcane projections. Possession of Meraud's staff for one year as prize.

Summer College

Building is underway but not complete.

Spring College

Construction of Folly for Papa Otec complete.

Court of Janon

Portal to night regio to open 9pm Saturday, probably via Sentinel gate. Artists, musicians, night mages & priests are invited. Contests likely. Sadogua may attend.

flooding

Flooding likely along the Scorrero, caused by snowmelt. *Rivers of Life* would boost farms & herb gardens. *Rivers Run Red* would do the opposite. Cast on Mournwold would affect Tassato & Sarvos; cast on Kahraman would affect Segura & Madruga.

Other Concerns

Storm Risks

Mournwold & Tassato vulnerable to flooding if some Spring magics are cast: This would affect resources in Tassato, and might damage the Sapphire Stair lock and Spider's Dream bridge. Similar vulnerability in Kahraman & Segura: would likely damage the Scorrero Nets and resources in Segura & Madruga.

fleet 'Adventures'

Some Navarr & Varushkan fleets have had increased income due to Eternal Rhianos' summer enchantments.

League Cities

Vyig routed; various businesses up for auction.

Winter Curses

Skarsind *Naeve's Twisting Blight* - arcane projection could investigate

Winter Boons

To the Empire

- ❖ *Keeper of Tharim's Throne* - Gui de Lusignan of Dawn
- ❖ *Skathe's Vengeance* will be directed upon High Lady Suriad, Salt Lord of Dubhtraig- Scions of Atun & Atuman of Highguard
- ❖ Ritual text to call forth the *Black Wind* - Drefa Brackensong of Navarr
- ❖ *Raging Fire of Surat* to fall upon 'their enemies' in Spiral - unknown individual of Spire of Urizen
- ❖ The *Grim Legion* fights in Liaven's Glen in Liathaven - in the name of the tribes of Kallavesi & Suaq

To the Axou ('Descendants of the Sorcerer-Kings)

- ❖ *Portrait* from Lady Skathe - Grand Ilarch Oana of the line of Issyk
- ❖ *Destruction of the Walls* upon the Court of the Fountain, Redoubt
- ❖ *The Hunt that plagues the Dreams of an Army* upon General Gabriel Barossa and the Wolves of War
- ❖ *The power to abandon mortality* - Tisia of the line of Maykop has taken her place among the ranks of the Grim Legion

To Zamashka, Prince of Voitka of Jarm

- ❖ *The Gift of Sorin's Blood* - Zamashka
- ❖ The use of the *Dragonbone Eye*
- ❖ The *Shield of Wisdom*, named "Measure"
- ❖ *Ten more years of life*
- ❖ Use of *Rangara's Cauldron*

To the Tribes of the Dragon (Thule)

- ❖ The *power to shake the earth* shall fall upon the deep places of Areshan
- ❖ The *power to call forth the servants of Sorin to ride the cold meat*
- ❖ The *Wisdom of Rangara* - Hinodir of the Bright Orb

To the sons and daughters of of Naguerro & Hierro

- ❖ *Enough food to fill the bellies of an entire territory* delivered to Segura
- ❖ The *Cruel Blessing of Agramant* upon the head of Baroness Jaqueline duMoi, general of the Wolves of KoboI, in the territory of Kalino
