The wisdom of recorders sublime

With horse's courage laid he stones
His Watch to last forever more
(Vigilance guide our faithful watch)

Within the mines and battlements
Are forged the virtuous and pure
(Vigilance guide our faithful watch)

O Shelomit she lifted him
Till he stood tall as Atuman
(Vigilance guide our faithful watch)

A golden hostel on the mount
Its creed inscribed in black marble
(Vigilance guide our faithful watch)

The Highborn they did heed her call
To Felix pledged their Loyalty
(Vigilance guide our faithful watch)

The touch of Winter in his blood
Would lead him to the Labyrinth
(Vigilance guide our faithful watch)

His creed did spread among the wise
Inwards they looked and knew themselves
(Vigilance guide our faithful watch)

The towers steadfast in his name
His watch to last forever more
(Vigilance guide our faithful watch)

To Realms beyond they turned their gaze
And raised their guard Eternalwards
(Vigilance guide our faithful watch)

The towers steadfast in his name
His legacy forever more
(Vigilance guide our faithful watch)
